Where timeless wisdom meets curious young minds.

At Li'l Miracles International Preschool, learning is also about helping children understand where they come from, what their traditions mean and which values are worth carrying forward.

Launched on the auspicious occasion of Guru Purnima, LiMi's Gurukul is a special learning space for our Jr. KG and Sr. KG children, where Indian heritage, wisdom and values come alive through stories, shlokas, traditions and meaningful conversations.

Every session encourages children to go beyond simply learning and understand the why behind traditions and teachings.

Through age-appropriate discussions and experiences, children explore values such as gratitude, respect, empathy, compassion and self-awareness, while also strengthening important social-emotional skills.

LiMi's Gurukul is our step towards raising children who are curious yet grounded, knowledgeable yet compassionate, and ready for the future while staying connected to their roots.

Learning from the past. Understanding the present. Growing with wisdom for tomorrow.

Glimpses from July-September

Field Trip to JNU Rural Care

Our little learners stepped beyond the classroom with a visit to the JNU Rural Healthcare Centre, where they explored the importance of health, hygiene and well-being in our everyday lives. The visit offered them a glimpse into how healthcare professionals care for people and serve the community. Through this real-world experience, our children developed greater awareness, empathy and respect, while learning that caring for ourselves and others is an important part of growing up.

Little Miracles is a wonderful school that combines strong academics with a deep respect for Indian culture. The teachers are caring and attentive, creating a safe and joyful environment for young learners. It focus on cultural values—celebrating festivals, practicing yoga, and encouraging traditional music and dance. It's the perfect place for children to grow both intellectually and emotionally, while staying connected to their roots.

Highly recommended for parents in Jaipur looking for a balanced and nurturing start to their child's education.

Our 3.5-year-old son is a shy and extremely loving child, and choosing the right preschool was very important to us. From day one, the teachers and staff made him feel safe, loved, and understood. Their gentle and patient approach helped him slowly open up and feel comfortable in a new environment.

The preschool provides a warm, nurturing atmosphere where children are encouraged to learn at their own pace. We've seen a beautiful change in our son's confidence, social skills, and communication. He looks forward to going to school and talks fondly about his teachers, which means everything to us as parents. We are truly grateful for the care, attention, and love they give each child. We highly recommend this preschool to any parent looking for a supportive and caring place for their little one.

We are extremely happy with both the school and daycare. Shivika has been here for the past one year, and we've seen wonderful growth in her confidence, learning, and social skills. The teachers and daycare staff are caring, patient, and attentive, making us feel completely at ease knowing she is in safe hands. Thank you to the entire team for creating such a loving and nurturing environment. We highly recommend this school and daycare to every parent.

As parents, we couldn't have asked for a better first school for our child. Before choosing **Li'l Miracles**, we visited several preschools, but the moment we walked in here, the bright classrooms, such a good amount of natural sunlight exposure, and cheerful atmosphere instantly felt different. It just felt like a place where children would genuinely enjoy spending their day.

What makes **Li'l Miracles** special isn't just the curriculum—it's the people. The teachers are caring, the support staff is always welcoming, and the founders are genuinely involved. We also appreciate the importance given to safety and thoughtful initiatives like **LIMI's Podcast** and **LIMI's Gurukul**, which truly set the school apart.

What I can't put into words is the transformation we've seen—not just in our child, but in us as parents too. This review can never fully express what this school has given our family. Thank you for giving our child such a beautiful beginning. ❤️

A Little Retro, A Lot Of Love.

Grandparents Day 2026!

At Li'l Miracles International Preschool, Grandparents' Day was a beautiful celebration of love, memories, and the timeless bond between generations.

With the theme "A Little Retro, A Lot of Love," the celebration brought a delightful touch of Bollywood nostalgia to the day. Dressed in their retro best, our grandparents filled the celebration with warmth, laughter, and wonderful memories.

From cheerful performances and joyful moments to the simple happiness of spending time together, the day was a reminder that some bonds only grow more beautiful with time. The children's smiles, the grandparents' enthusiasm, and the shared moments of affection made the celebration truly special.

Grandparents hold a very special place in a child's growing years. They bring with them stories, traditions, wisdom, unconditional love, and a warmth that stays with children long after the moment has passed. At Li'l Miracles, we celebrate this day to create a meaningful opportunity for children to slow down, connect, laugh, play, and spend quality time with their grandparents. These seemingly simple moments become the stories they remember, the photographs they cherish, and the core memories they carry with them for life.
